PROFESSIONAL SUMMARY

- React Native and Frontend Developer with hands-on experience developing scalable web and mobile applications using React Native, React.js, JavaScript, TypeScript, and REST APIs. Skilled in building responsive user interfaces, integrating backend services, and optimizing application performance. Passionate about solving real-world problems through clean, maintainable code while continuously strengthening Data Structures and Algorithms skills.

EDUCATION

Silicon University

Master of Computer Applications

Bhubaneswar, Odisha

Jan 2025 – Jan 2027

Imperial College

Bachelor of Computer Applications

Bargarh, Odisha

Jan 2022 – Jan 2025

EXPERIENCE

React Native Developer Intern

May 2026 – July 2026

Syllogistek Systems Private Limited

- Developed and maintained cross-platform mobile application features using React Native.
- Integrated RESTful APIs for authentication, backend communication, and real-time data retrieval.
- Built reusable UI components to improve maintainability and development efficiency.
- Optimized application performance through efficient rendering and state management techniques.
- Collaborated with developers to debug issues, implement new features, and enhance user experience.
- Tested applications across Android and iOS devices to ensure consistent cross-platform functionality.

Social Media Manager

August 2023 – April 2024

Imperial College, Bargarh

- Managed social media strategy and content planning across multiple platforms
- Led photography and videography team for events and campaigns
- Designed posters and creatives to improve audience engagement
- Increased engagement through consistent and optimized content delivery

PROJECTS

PlacementPilot – Placement Preparation Tracker | *React Native, Expo, TypeScript, Firebase, Firestore* [GitHub](#)

- Built a cross-platform mobile application to centralize placement preparation, including job application tracking, DSA progress tracking, interview scheduling, placement drives, and college notices.
- Developed a secure role-based authentication system (Student/Admin) with persistent login and real-time synchronization using Firebase Authentication and Cloud Firestore.
- Implemented a Striver A2Z DSA Tracker with topic-wise progress monitoring, completion status, and revision tracking.
- Designed and developed an Admin Dashboard to manage placement drives, notices, student analytics, and placement status updates.
- Architected the application using reusable components and implemented a modern glassmorphism dashboard for scalability and maintainability.

Travito [GitHub](#) | *React Native, Expo, REST API*

- Developed an AI-powered travel planning application with personalized itinerary generation.
- Integrated REST APIs to provide dynamic travel information and recommendations.
- Built reusable React Native components for scalable application architecture.
- Designed responsive mobile interfaces optimized for Android devices.
- Improved application maintainability through modular component-based development.

EchoWaves Lab [GitHub](#) | *React.js, Vue.js, Bootstrap*

- Developed responsive business websites using React.js, Vue.js, and Bootstrap.
- Built reusable frontend components to improve scalability and maintainability.
- Integrated REST APIs for dynamic website content and backend communication.
- Optimized layouts for desktop, tablet, and mobile devices using responsive design principles.

TECHNICAL SKILLS

Languages: Java, JavaScript, TypeScript, HTML5, CSS3

Frameworks: React.js, React Native, Expo, Node.js, Bootstrap, Vue.js

Databases: Firebase, Cloud Firestore

Tools: Git, GitHub, VS Code, Postman, Figma

Concepts: Data Structures & Algorithms, Object-Oriented Programming, REST APIs, Responsive Web Design, State Management, Cross-Platform Development, Performance Optimization

VOLUNTEERING

Director, Media and Production | *Meta Academic*

Dec 2025 – Feb 2026

- Led media and production initiatives for 300+ academic program participants

Designer & Video Editor | *Meta Academic*

Jul 2025 – Dec 2025

- Designed creatives and edited videos for 10+ cultural campaigns

Dy. Secretary | *Sanskriti Club, Imperial College*

Oct 2022 – Jul 2024

- Core member organizing every college event at Imperial College, Bargarh

AWARDS

Startup Odisha Winner | *District Level (x2)*

- Awarded twice for entrepreneurial innovation at district level

CEO for a Day | *Imperial College, Bargarh (x2)*

- Selected twice for leadership excellence at Imperial College
